<p>About the Co-organizer</p>	<p><i>Academy for International Business Officials</i> (AIBO, also known as <i>Training Center of the Ministry of Commerce</i>), is the only educational and training institution directly affiliated to the <i>Ministry of Commerce</i> (MOFCOM), People's Republic of China.</p> <p>Situated in the famous Xiaotangshan Longmai hot spring area, Changping District, on the riverside of Wenyu River which is reputed as the mother river of Beijing, AIBO boasts a</p>

history of 40 years. Covering an area of nearly 600 μ (about 40 hectares) with the total floor area of over 100,000 m², it enjoys beautiful environment and fresh air and has all necessary facilities. Besides, it is conveniently connected to the city's transportation networks.

AIBO provides training, academic teaching, conference service as well as holiday service. It has meeting rooms (including VIP rooms) of various sizes. AIBO's hotel is well-furnished and provides all necessary facilities.

AIBO is the first to organize seminars for government business officials from other developing countries starting from 1998. Now seminars it organizes cover a large range of topics such as economic administration, trade and investment, city planning and administration, telecommunication, transportation, construction of development zones, logistic management, development of natural resources, international labor cooperation, coordinated development of urban and rural areas, wireless communication and digital TV technology, clean energy, etc. Apart from the seminars for officials at director's level or director general's level, AIBO has also organized many ministerial workshops.

By the end of 2022, AIBO has hosted a total of 2008 training courses/seminars for officials from developing countries, including 124 seminars for officials at ministerial-level, and received 58,632 officials from more than 160 countries and regions in the world, including 5 officials at the vice national-level and 1070 officials at the ministerial-level.

AIBO will strive to make new contributionsto the development of China's commerce and develop into a well-known educational and training institution both at home and abroad.

China Leather and Footwear Research Institute Co. Ltd. (CLFI), founded in Beijing in 1959, is the sole state level, professional and comprehensive research organization in China leather and footwear industry. It is the scientific research center, the standardizationcenter, the quality supervision and inspectioncenter, the informationcenter, the productivity promotion center as well as the engineering technologycenter.

During the last 60 years, CLFI has taken on and completed over 400 important projects commissioned by state, ministries, as well as municipalities and has won more than 100 varieties of national, provincial and ministerial science and technology awards and drafted and revised over 500 state and industry standards. Therefore, CLFI has made great contribution to the development of China leather and footwear industry.

CLFI consists of 142 staff members, including 89 technicians,12 professor senior engineers and 26 senior engineers. There are 7 doctors and17 masters.

CLFI has branches in many provinces, including Zhejiang, Hebei, Fujian, Guangdong, Shandong, Henan and Sichuan etc., as well as 14 R&D centers building with local enterprises. Approved by Ministry of Personnel, CLFI has set up a research station for post-doctoral studies. CLFI's inspection laboratory obtained the certification of CNAS

	<p>in1990 and CLFI obtained the certification of ISO 9000 Quality Management System in 2003.</p> <p>By the end of 2022, CLFI has organized/co-organized 18 seminars/training courses, receiving more than 500 participants from more than 50 countries and regions around the world.</p>
