About the Organizer	<p>Yunnan Police College was founded in 1950 and upgraded to a police college for undergraduate education. It has obtained the qualifications for enrolling graduate students for Master's Degree in Policing in 2012 and international graduate students in 2014. Up to the present, Yunnan Police College has been developed into diverse training bases: Narcotics Control Police Training Base of Ministry of Public Security(MPS), Science and Information Technology Training Base of MPS and Police Logistic Management Training Base of MPS; Southeast Police Officers Training Base, training base for newly nominated directors and political commissars at police bureaus at county levels nationwide, training base on standardization of law enforcement for county levels, national training center for self-defense, base for civil service exam, and research base on drug issues of Yunnan Province. Yunnan Police College has been honored as Institute with Excellent Social Reputation at provincial level, a Provincial Excellent School and a Garden-like School. It also has been awarded first class collective merit once and third class collective merit twice by the Ministry of Public Security.</p> <p>As of December of 2022, the number of the teaching and administrative staff is 507, of which 139 teachers have been entitled with professor and associate professor. The number of teachers with doctoral degree and master degree is 77 and 194 respectively. The College covers an area of 1382.16 mu along with its construction area of over 22,000 square meters. The library has a total collection of approximately 1,020,000 books (including e-books), 708 kinds of journals with 8462 volumes of their own. There are 54 common classrooms with 3935 seats, 87 multi-media classrooms with 7456 seats, 30 labs, 3188 pieces of equipment for teaching and research. The total area of sport ground covers 72,659 square meters.</p> <p>There are five disciplines, namely, law, science, engineering, administration and pedagogy, and fifteen undergraduate majors, namely, narcotics control, laws, public security, criminal investigation, border control, computer science, forensic science, traffic management, intelligence science, economic investigation, public affairs management, social work, information security, police dog science and sports education. We publish College Journals and College Newspaper. In addition, there are research institutes, such as a forensic Science lab, drug research lab and judicial expertise. National Professional Characteristic has been endowed to 3 of the majors. Along with the existence of 3 key laboratories at the provincial (ministerial) level, 1 provincial key discipline, 1 provincial key major and 8 national excellent courses can be found in the College. A great many of the teachers have achieved considerable success, such as 1 National Excellent teacher, 2 National Excellent teachers of Police Colleges, 2 National Excellent teachers of higher education, 1 National Teacher Model, 1 National Staff of Police Colleges, 11 Provincial prominent teacher, 3 Provincial prominent teacher's studios, 4 provincial teaching teams, and 100 Provincial(ministry level) experts.</p> <p>The College also put its emphasis on international communication and cooperation. It has promoted a broad range of international communications with the Ministry of Home Affairs, police agencies and police education organizations of neighboring countries as well as European, American and African countries. It has established friendly relations and put forward win-win cooperation with Royal Thai Police Cadet Academy, Cambodia Police College, Lao People's Police College, Myanmar Central Police Training College, Justice Institute British Columbia of Canada, Macau University of Science and Technology and University of Macao. So far, the College has provided more than 179 training programs themed</p>
