| About the Organizer | <p>National Academy of Forestry and Grassland Administration (NAFGA) (the former State Academy of Forestry Administration, STAFA), established in 1951, is a training institution under the National Forestry and Grassland Administration. It provides training opportunities for civil servants and other employees of the National Forestry and Grassland Administration, leaders from the counties where the key forestry programs are implemented, local forestry leaders and technicians, leaders of large and medium-sized forest enterprises, international trainees and key foresters. The Party School and Adult Education Research Center of the National Forestry and Grassland Administration as well as China Forestry Education & Training Website are stationed in the Academy. NAFGA has achieved ISO9000 quality management system certificate issued by certification and accreditation administration of PRC. And the quality system is applied on all training courses or workshops hosted or sponsored by the academy. NAFGA enjoys the reputation of pioneer in training for civil servants and quality management for forestry industry.</p> <p>Sponsored by Chinese government, NAFGA has been organizing the foreign aid training projects since 2007. Up to now, NAFGA has successfully held 80 seminars on varied themes including Forest Law Enforcement and Governance(FLEG), Sustainable Forest Management, National Parks and Nature Reserves Management, UN Forest Instrument(UNFI), Wildlife Protection, Forestry Projects Development under “Belt and Road initiative”, Biodiversity Protection, Forest and Climate Change, CITES implementation, Management and Protection of Endangered Species through which 4494 participants were trained and over 100 developing countries were included. Welcome to Beijing, welcome to our beautiful campus!</p> | |
