About the Organizer	<p>The International Cooperation and Exchange Center is an institution directly under the administration the Department of Commerce of Hainan Province. In January 2014, the training center gained the approval of the Ministry of Commerce and became a "MOC Training Base for International Business Officials." In recent years, commissioned by the Ministry of Commerce, the center has organized over one hundred of China-aid seminars and training courses for thousands of English-, Spanish-, French-, Portuguese-, Russian-, Arabic-, Cambodian-, Laos-, Vietnamese- and other language-speaking participants who came from nearly 100 countries and regions.</p> <p>In 2015, the center organized one of the first batch of MOC's "Going Global" overseas training projects -"Training Course on Tropical Crop Planting Technology for Trinidad and Tobago." In 2017, the programs undertaken by this center - "Seminar on China Economic Development Experience for Ministers of Madagascar" and "Seminar on Aviation Security Risk Management for the 'Belt and Road Initiative' Countries" saw satisfying result, winning the laud of the China International Development Cooperation Agency, the Department of Foreign Assistance of the Ministry of Commerce, the Training Center of the Ministry of Commerce, the Department of Commerce of Hainan Province, the Foreign Embassies of the recipient countries in China and all the participants!</p> <p>The center has accumulated rich experience in organizing seminars themed tourism, hotel management, aviation, culture, island economy, project management, PPP project management, infrastructure planning and management, and public management; and established a mature operating mechanism.</p> <p>In recent years, in the field of Special Economic Zone and Free Trade Zone, our center has held programs such as "Seminar on Special Economic Zone for Botswana", "Seminar on Airport Economic Zone Development in Free Trade Ports for the Belt and Road English-speaking Countries", "Seminar on the Rule of Law in Free Trade Port for Developing Countries" and "Seminar on International Consumption Center Construction in Free Trade Port." The seminars aim to improve relevant management skills through lectures, visits and other ways, and provide valuable experience for the economic development of China's Major Special Economic Zones and the Hainan Free Trade Port.</p>	

<p>Seminar Content</p>	<p>Project content:</p> <p>Revolving around the theme of "Special Economic Zone", the seminar covers the development history and status quo of global economic zones, the construction model and successful experience of China's national economic zones, the legal system of China's national economic zones, and how China comprehensively strengthens top-level design to facilitate foreign trade in national economic zones and optimize the business environment; In addition, the highlights of port management in Hainan Free Trade Zone will also be introduced, especially the system innovation fruits and green development achievements. During the seminar, the center will organize participants to visit Qionghai, Wanning, Sanya, Shanghai, and Suzhou cities, witnessing the construction of economic special zones in various parts of China and better understand the theoretic knowledge so as to apply it to future work and further promote friendly cooperation between China and the developing countries.</p> <p>Professional courses</p> <ol style="list-style-type: none"> 1. Different Models of Economic Special Zones 2. Opportunities and Challenges Faced in Construction of SEZs 3. Special Status and Role of SEZs in China's Reform and Opening up 4.
