| About the Organizer | <p>Hunan Agricultural Science Group Co., LTD. is a wholly-owned subsidiary of Hunan Science Agricultural Development and Investment Group Co., LTD. It is the largest state-owned agricultural enterprise in Hunan Province, which was approved by Hunan Agriculture Department in 1996. The company actively integrates into the industrial development system of agricultural development and investment Group, implements industrial chain reinforcement and industrial collaborative development, meets the industrial demand and improves the service value. The company is a diversified modern agricultural enterprise integrating research and development, production and manufacturing of veterinary biological products, supply of agricultural materials and equipment, agricultural technology and modern agricultural operation services, international agricultural technology consultation and training, agricultural import and export trade, mainly engaged in the whole food chain health management, animal life cycle health management, animal and plant protection technology services, agricultural import and export supply chain services.</p> <p>Hunan Agricultural Development Investment Group Co., LTD. (hereinafter referred to as Hunan Agricultural Development Group), the parent company of Hunan Agricultural Science Group Co., LTD, is a large-scale state-owned provincial agricultural enterprise formed by the merger of Hunan Modern Agricultural Industry Holding Group Co., LTD and Hunan Grain Group</p> | |

| | |
|-----------------|--|
| | <p>Co., LTD., with registered capital of 10 billion yuan and total assets of 63 billion yuan. It is mainly engaged in grain, oil and meat purchasing, storage and processing, breeding pigs and hogs breeding, food research, development and processing, grain and oil import and export, and undertakes the functional business of grain, oil and meat purchasing and storage in the province. It is the main supplier of grain and oil products in the central and southern China, the live pig exporter for Hong Kong and Macao, the domestic large breeding pig supplier, and the national livestock and poultry seed formation enterprise.</p> <p>For many years, Hunan Agricultural Science Group Co., Ltd. has always paid highly attention to the development of China-aid programs on agricultural techniques and training on modern agricultural technology, aiming at creating a famous brand of international agricultural exchanges and training. With the great support and guidance of Ministry of Commerce of PRC and Department of Commerce of Hunan province, since 2015, our company has undertaken the First Phase Vegetable Greenhouse Technical Cooperation Project to aid Georgia, lasting for 2.5 years, which is highly praised by two sides. Meanwhile, since our company began to undertake the China aid training work in 2008, we have constantly promoted the implementation of foreign aid training to a new level with a high sense of mission and responsibility, conscientiousness and meticulous implementation. Relying on a professional management team, well-established management system and strong teaching resource, our company has formed a complete set of sophisticated training system for both long-term and short-term training course, both technician and official training course.</p> <p>By the end of 2023, our company has successfully completed 132 China-aid training courses, having trained 5214 officials and technicians from more than 100 countries in Asia, Africa, Latin America, the South Pacific and Caribbean region. Hunan Agricultural Science Group Co., Ltd. takes and demonstrates the agricultural advantages of Hunan province, conducting training courses in areas such as beekeeping and honey processing, oil crops, grain and oil crops & irrigation technology, agricultural product processing, grain and oil test and processing, soybean production and processing, facility agriculture, agricultural products circulation technology, etc., the training result of which has been highly acclaimed by both participants and dispatching units and received appreciation letters from multiple governmental agencies such as the African Union Commission, Jordan, Gambia, Ghana, and Tajikistan.</p> |
