About the Organizer	<p>Chinese Red Cross National Training Center (“Training Center”) was established on June 14, 1983. For more than 20 years, Training Center abides by the fundamental principles of the International Red Cross and Red Crescent Movement, and upholds the spirit of the Red Cross Society—“humanitarian, fraternity and dedication”. It has experienced three development stages, namely “hotel management”, “hotel management and first-aid training” and “hotel management, first-aid training and major public welfare program implementation”. Training Center has given full play to its unique role and influence in terms of first-aid training, Red Cross staff training, health and safety education training, foreign aid etc. as a nationwide training institution of the Red Cross system. Also, it has formed a development pattern led by program management, while based on first-aid training and hotel management.</p> <p>Main business: In terms of training development: first, the Red Cross first-aid training, with an aim to promote to people’s capacity related knowledge and skills in disaster prevention and reduction, emergency shelter, self and mutual medical aid; second, Red Cross staff training, intended to organize knowledge and skills training targeting at grassroots staff; third, international training, inviting Red Cross personnel of the developing countries to China and enable them to have a comprehensive understanding of our current works, sharing our success experience, and meanwhile organizing RC staff to study abroad, so as to learn management mode and developing experience of public organizations in developed countries. In terms of program management: core programs funded by the Red Cross Society of China, IFRC, ICRC, and NSs (including Integrated Community Resilience, First-aid, Emergency Rescue programs); Red Cross life, health and safety education programs funded by the Ministry of Finance; reproductive health projects and other humane management and public welfare program implementation works supported by the United Nations Population Fund.</p>
