About the Co-organizer	<p><i>Academy for International Business Officials</i> (AIBO, also known as <i>Training Center of the Ministry of Commerce</i>), is the only educational and training institution directly affiliated to the <i>Ministry of Commerce</i> (MOFCOM), People's Republic of China.</p> <p>Situated in the famous Xiaotangshan Longmai hot spring area, Changping District, on the riverside of Wenyu River which is reputed as the mother river of Beijing, AIBO boasts a history of 40 years. Covering an area of nearly 600 <i>mu</i> (about 40 hectares) with the total floor area of over 100,000 m<sup>2</sup>, it enjoys beautiful environment and fresh air and has all necessary facilities. Besides, it is conveniently connected to the city's transportation networks.</p> <p>AIBO provides training, academic teaching, conference service as well as holiday</p>		

	<p>service. It has meeting rooms (including VIP rooms) of various sizes. AIBO's hotel is well-furnished and provides all necessary facilities.</p> <p>AIBO is the first to organize seminars for government business officials from other developing countries starting from 1998. Now seminars it organizes cover a large range of topics such as economic administration, trade and investment, city planning and administration, telecommunication, transportation, construction of development zones, logistic management, development of natural resources, international labor cooperation, coordinated development of urban and rural areas, wireless communication and digital TV technology, clean energy, etc. Apart from the seminars for officials at director's level or director general's level, AIBO has also organized many ministerial workshops.</p> <p>By the end of 2019, AIBO has organized 1766 seminars/workshops including 115 Ministerial Workshops, receiving 49863 officials including 1052 ministerial officials from 160 countries and regions around the world.</p> <p>AIBO will strive to make new contributions to the development of China's commerce and develop into a well-known educational and training institution both at home and abroad.</p> <p>China Sinopharm International Corporation (abbr. "Sinopharm International") is subordinate to China National Pharmaceutical Group (abbr. "Sinopharm"). Sinopharm is the largest pharmaceutical and healthcare industry group under the direct leadership of SASAC of Chinese State Council. The group has 1000 wholly-owned subsidiaries and holding companies, 6 listed companies, business cover every aspect of medical and healthcare industry.</p> <p>Sinopharm International is the wholly-owned subsidiary of Sinopharm. The company shoulders Sinopharm's strategic mission of developing international pharmaceutical business and healthcare industry. The main business covers international pharmaceutical trade, overseas pharmaceutical investment, international medical cooperation, and medical and health services. It has 11 functional departments, 8 operational departments and 11 subsidiaries and holding companies, 6 overseas companies and 50 hospitals.</p> <p>Sinopharm International can integrate superior resources of the most advanced teaching, research, manufacture and logistics in chemical, biological, Chinese medicine pharmaceutical and medical device within the group to provide all-round and multilevel service and promote international communication and cooperation, enhance the exchange and friendship to all friends in medicine and healthcare field.</p> <p>By the end of 2019, Sinopharm International has organized 53 seminars/workshops, receiving 1541 officials from 102 countries and regions around the world.</p> <p>Sinopharm International will continue to contribute to the cooperation and</p>
